

MOVE, ADD AND CHANGE SERVICES

We help companies with workspace transition and expansion - whether it's a quick change or full-scale move.

Your single best resource for proven efficiency and experienced support:

- Daily, or Routinely Scheduled On-site Maintenance & Service
- Internal/External Staff and Furniture Moving
- Conference and Training Room Set-ups
- Furniture Installation or Reconfigurations
- Pick-up, Delivery and Warehousing of Inventory or Assets

MINIMIZE DOWNTIME AND INCONVENIENCE - MAXIMIZE PRODUCTIVITY

Count on Omni Workspace for prompt and professional service - however small or large your needs. Our highly trained teams can quickly and efficiently move, reconfigure and add to furniture and architectural elements.

SEAMLESS INTEGRATION

From planning through day-to-day implementation, your Omni Workspace Project Manager makes sure that our moving crews, channel partners and installation teams work together efficiently. We can set up scheduled service routines, help batch work orders for added efficiencies, or develop full scale plans and budgets to help monitor and control costs - whatever it takes. We're ready when you are with professional, consistent and attentive service.

ONE CONVENIENT RESOURCE

Omni Workspace can oversee every aspect of your specific requirements and keep you apprised with on-demand project status and key performance metrics. For one source of contact and accountability - and a full range of Move, Add and Change Services, it only takes one call.

Working. In offices nationwide.
